

# Greetings and Welcome To Luno Trades Investment.

---

Luno Trades is a Bitcoin Mining Company that creates profits through, Investments, Active currency Trading, Mining, ICO Investing.

We trade bitcoin, Litecoin and Ethereum.

Luno Trades, puts every investor first and with years of activeness and experienced traders in the foreign exchange and crypto currency market, We always aim for financial breakthrough of every investors fund and every investors gets full access to manage and monitor their funds.

## **How it Works -**

You Choose an Investment program based on the amount required and desired return, which is guaranteed.

We have programs both DAILY {Bitcoin Mining} and MONTHLY {Bitcoin Trading} Payouts, generally paying between 1%per day, and the contract lasts for **300DAYS{10MONTHS}**.

You can also ROLL OVER or Compound, Your earnings to grow your investment more quickly. The minimum investment deposit is \$200.

## **INVESTMENT**

Investments is made in Bitcoin, Litecoin and Ethereum - After setting up your account, you choose the program and amount, and the Website tells you exactly how much bitcoin, Litecoin, Ethereum you need to send and the address to send it to. You will receive confirmation email, and your account will reflect your investment and starts earning.

## **EARNINGS**

Daily/Monthly earnings will accumulate in your account. You can withdraw your earnings at any time on the monthly Plans.

You can also reinvest and buy new contracts at any time, as long as you meet the minimum investment amount. Earnings are calculated in dollars, and then converted to Bitcoin at the current rate and sent to your preferred wallet address. Every deposits has a 3times withdrawal, investments can be upgraded to get more withdrawals.

## **COMPOUNDING -**

Compounding interest is the addition of interest to the principle sum of any deposits. Compounding plan is the result of Reinvesting Interest, rather than paying it out, so that interest in the next period is then earned on the Principal sum plus previously accumulated Interest.

Compounding plan is very Powerful because it allows you to make more Profits Quickly, Compounding plans makes it possible for your retirement savings to increase exponentially. You can choose to compound your investment to earn faster to your initial investment deposits{ROLL OVER}, Compounding investment interest is added every 30Days to your initial deposit. Compounding plans cannot be cancelled. New deposits can be added to the existing compounding Balance.
